“With my time of only 6 weeks remaining, it was my honor and privilege to work with all of you, especially the District Leaders and Del Miley. We haven’t accomplished everything but Keith understands the challenges of change and change will be coming. I met with ISEA officers and had a good discussion. There was concern regarding the Elk Tracks program. Keith wants to assure us that this program will happen. Funding has been set aside. Community service is a focus, which will result in a gain in membership. Keith has been travelling for a year and has seen many programs. He would like to try to implement some of those programs in Idaho and Oregon. It will take a team effort, all of us working together to make this happen. Some of those changes will involve restructuring of the organization. This is not an easy task. I encourage you to work with him.

Regarding scouting. Nothing has changed. The issue is not being able to confirm their insurance. Our insurance director advises us not to move forward until we get confirmation of that coverage. Once we get an definitive answer, we will get it out to the lodges.

Regarding protocol at the Lodges and especially the Club. We are American ladies and gentlemen and expect the bar staff and staff to be professional.

Regarding Grand Lodge all 8 states of Area 8 will be at the same hotel. A large reception is planned at the Atlanta Elks Lodge. Keith will be giving his final speech in Atlanta, and they are so looking forward to coming home.

President Roberts turned the meeting over to State Sponsor and PGER the Honorable Roger True

Past Grand Exalted Ruler Roger True addressed the convention.

Roger thanked all for the hospitality and courtesy over the last 3 years. He commented on the membership being generous to him and he truly appreciated it. He looked forward to seeing all of us in Atlanta. He encouraged all to come out to the reception at the Atlanta Lodge. Roger again thanked Del Miley and Donna for their many years of service, well deserved. It was asked a couple of times last night about Del's retirement. Keith has no intention of putting Del on the bench, he has many years of experience and knowledge, again its Grand Lodge policy that you cannot have a special deputy in the state that the GER resides. It's a great honor to be emeritus and well deserved. When I came in as sponsor Keith had asked me to set it up like my other states and in my other states I have special reps, although GL calls them district leaders because of another policy that we have at our level, but I could have not have functioned the past 3 years without these gentlemen's support and knowledge and I want to recognize them at this time and ask them to introduce the District Deputy teams that were this past year 2021-2022 and the upcoming year.

Lyle Gessford introduced the District Deputy Team South for 2021-2022.

Tom Marmon, Caldwell Lodge #1448, Esquire John Muirhead Caldwell Lodge #1448, Auditor Tracy Roberts Marmon Caldwell Lodge #1448. Thank you too all. The 2022-2023 team was introduced. Tracy Roberts Marmon Caldwell Lodge #1448, Esquire Tim Periera Gooding Lodge #1745 and the Auditor to this year Chuck Roberts Caldwell Lodge #1448.

Ed Sanman introduced District Deputy North 2021-2022 team: Kevin Asker Grangeville Lodge #1825, Esquire Nancy Asker Grangeville Lodge #1825 and Auditor Alan Carbonera Lewiston Lodge #896. The 2022-2023 team was introduced

Kevin Asker Grangeville #1825, Esquire Alan Carbonera Lewiston Lodge #896 and Auditor Chis Moore Lewiston Lodge #896.

Mike Marvin introduced the District Deputy East 2021-2022 team: District Deputy Dave Purcell Idaho Falls Lodge #1087, Esquire J.C. Carter Idaho Falls Lodge #1087, and Auditor Chris Olsen Idaho Falls Lodge #1087. The 2022-2023 District Deputy team was introduced: Josh Anderson, Preston Lodge # 1670, Esquire Travis Packer Blackfoot Elks Lodge #1416 and Auditor Chris Olsen Idaho Falls Lodge #1087.

We have worked to draw all the states together over the last few years in area 8 and it is our goal to have more functions combining all the states in area 8. Roger extended an invitation to all that we are always welcome in Washington and Montana as long as he remains their sponsor and we have great conventions and get to interface and exchange ideas. All 8 states all of the District Deputies will be staying over 1 day in Atlanta and there will be a full day of District Deputy training. We are trying to standardize everything in Area 8, so in the event something happens to a sponsor another sponsor can step in and things will flow somewhat easier. Again PGER Roger True thanked President Roberts for all his hard work and his professional demeanor as well as well wishes for the upcoming years.

President Roberts called upon Scott Torres from Rupert Lodge who brought 20 cases of hand sanitizer to the convention for distribution to all who wanted it.

State President recessed for 15 min to allow for the open session.

Grant presents guest speakers from across the state of Idaho. Panelist include Jim Broyles representing Valley Vista project in St. Maries, Michelle Tucker Rehabilitation Director Bonner General Health in Sandpoint, Mark Fiesline Rehabilitation Manager at Benewah Community Hospital in St. Maries.

When funds are received for rehab equipment can be acquired, we are able to provide services locally rather than having the patients travel for care, which is critical to healing.

Overview of project in Benewah Community Hospital. They have received 6 grants which were used for equipment, and training to advance the skillsets the of employees in the rehab department. An outdoor facility relative to everyday environment was constructed. And essential training for lymphedema therapy was obtained.

Overview of Valley Vista project in St. Maries. IER have ½ million dollars into 1 facility in North Idaho. The impact is remarkable and has led to personnel changes, space changes, care changes and incredible technology. The community impact was huge, as we protected salaries and professionals into the community and because we can give higher level patient care

The Idaho Elks Rehab System has always been involved in patient outcomes, and these testimonials show that we are continuing to impactful patient outcomes across the state.
